Excuses for no homework

Best one- I assigned a 5 page paper in my class. I gave the students 3 1/2 weeks to work on their papers. I also gave them computer lab time to research and type their paper. Two weeks after the papers were due, one of my students tried to turn in his term paper. His reason for it being late was, "I'm a slow typist." Needless to saw, I did not accept the paper!

Ms. Green

What is your dream vacation?

I would like to go to Hawaii. I have never been there and I would like to take someone special along with me.

Dylan Norman

I would like to go to Florida. It is hot there and there are a lot of parties! I would invite J Lo along with me because she's hot!

Eddie Rico

I would go to Cancun because of all the fine ladies and wild parties! Along for the ride, I would take my boy Tim Catizone.

Jessica Smedley

Livin' it UP

I would like to take a trip to Fort Wayne. I have some friends there that I haven't seen in a long time. I would take Chris Evans with me.

THE DIAMOND GIRLS

THE DIAMOND GIRLS HAD A GREAT SEASON THIS YEAR. ALTHOUGH THEY GRADUATED FIVE KEY VASITY PLAYERS, THEY ONLY CAME TWO GAMES SHORT OF BEATING THE PREVIOUS RECORD. THE

SCORING WAS CHANGED TO RALLY SCORE, SO THEY NOW PLAY THE BEST OF FIVE, UP TO 21 POINTS. EVERY MISTAKE MADE CAN CAUSE THE OPPONENT TO GET A POINT. THE ADVANTAGE IS THAT YOU HAVE MORE CHANCES TO COME BACK.

THE DAIMOND GIRLS DID BETTER THAN MOST PEOPLE EXPECTED. THE

WAY THEY GOT THROUGH ALL THESE OBSTACLES WAS WITH THE GUIDANCE OF A WONDERFUL COACH, MRS. GABBERT, WHO WAS ALSO THE LAC COACH OF THE YEAR. ROSIE BLACK, JILL SPENCER, LIZ CRUMBLE, AND KIKI BYTNAR RECEIVED RECOGNITION BY BEING NAMED ALL-CONFERENCE PLAYERS.

MOST OF ALL, THEY PROVED TO THEIR COACHES AND FANS THAT THEY WORKED WELL TOGETHER TOWARD A COMMON GOAL. ALTHOUGH, THEY LOST IN THE FIRST ROUND OF SECTIONALS, THEY STILL HAD AN OUTSTANDING SEASON.

" THE FUTURE "

ALTHOUGH OUR JV SEASON STARTED OFF SLOWLY, IT ALSO CONTAINED MANY POSITIVES. THEIR RECORD WAS VERY GOOD. THEY WERE NOT REALLY EXPECTED TO DO AS WELL AS LAST YEAR'S TEAM, BUT THEIR CHEMISTRY WITH ONE ANOTHER PROVED THAT MYTH TO BE TOTALLY WRONG. THEIR SEASON WAS A LITTLE ROCKY, BUT DURING THE LAC TOURNAMENT, THEY SHOWED MANY PEOPLE THAT THEY PROGRESSED QUICKLY. TEAMWORK IS THE MOST IMPORTANT POINT OF ANY TEAM AND THESE GIRLS SHOWED A LOT OF IT. THE PLAYERS USED A FEW INJURIES FROM THEIR STARTERS, SUCH AS LASHANNA JOHNSON AND MARY HUNTER, AS MOTIVATION TO WORK AND PLAY MUCH HARDER. GOOD JOB LADIES!!!!!!

CROSS COUNTRY IS A TOUGH SPORT. THIS SPORT IS NOT JUST ABOUT RUNNING, IT IS ABOUT ATTITUDE, COMMITMENT AND HEART AS WELL. IT IS ALSO PHYSICALLY TOUGH, NOT ONLY DO YOU NEED TO BE ABLE TO RUN ON DIFFERENT KINDS OF TERRAIN, BUT YOU ALSO RUN IN ALL KINDS OF WEATHER. ALTHOUGH THERE WERE VERY FEW RETURNING RUNNERS, THIS YEAR'S TEAM HAD

MORE MEMBERS, THAN IN THE PAST; INCLUDING THE ADDITION OF A NEW HEAD COACH, MR. HAAS. THIS YEAR WAS ABOUT BUILDING A NEW TEAM WITH NEW BEGINNINGS. ALTHOUGH THE TEAM IS FAIRLY YOUNG, THEY SHOWED A LOT OF TALENT, AND ENTHUSIASM TOWARDS RUNNING. NICE JOB AND GOOD LUCK IN THE YEARS TO COME!

THE GOLF SEASON WAS A REWARDING ONE BECAUSE THEY SET A NEW RECORD FOR THE NUMBER OF VICTORIES. THE GIRLS CAME AWAY WITH THREE WINS ON THE SEASON, THIS IN THEIR THIRD YEAR AS A VARSITY SPORT. MS. GREEN HAD THREE GIRLS ATTEND A WEEKEND CAMP AT THE END OF THE LAST SCHOOL YEAR. THESE GIRLS SHOWED THEIR DEDICATION TO THE SPORT BY GIVING THEIR TIME TO HONING THEIR FUNDAMENTALS. MS. GREEN HOPES TO HAVE THE ENTIRE TEAM ATTEND THIS SAME CAMP IN THE SPRING.

FOUR SENIORS WILL BE LEAVING THIS SEASON. AIRAM RICO, CHERIE SANDERS AND JOI-LYNN SHELL, ALL CAME OUT FOR THE SPORT AS JUNIORS. JOSEE STARR HAS BEEN WITH THE TEAM SINCE THE FIRST DAY THREE YEARS AGO. ALSO JOI BROKE A SCHOOL RECORD FOR THE LOWEST SCORE BY SHOOTING A FORTY- EIGHT AT THE CALUMET GOLF COURSE. THEIR COMMITMENT, AS WELL AS THE COMMITMENT OF THE OTHER GOLFERS TO THE SPORT, WAS STRONG AND GREATLY APPRECIATED.

ASQUAD'S WORTH ISN'T EXEMPLIFIED BY NUMBERS. THE SQUAD THIS YEAR MAY HAVE BEEN SMALL, BUT THESE GIRLS DISPLAYED EXTREME AMOUNTS OF TALENT, DEDICATION, AND SPIRIT, ALL YEAR LONG.

THE SQUAD WAS CHOSEN AT THE END OF LAST YEAR, IN MAY, AFTER A WEEK OF TRY-OUTS. BY THE TIME SCHOOL IS OUT, THEY WILL HAVE PRACTICES TWICE A WEEK. THEY ALSO ATTEND CHEER CAMP DURING THE

SUMMER.

DURING THE FALL, THE CHEERLEADERS PERFORM AT ALL THE FOOTBALL GAMES, REGARDLESS OF THE WEATHER. THEY ALSO DECORATE LOCKERS, TEACH SENIOR BOYS CHEERS FOR THE POWDER PUFF GAME, AND PERFORM AT THE PEP-RALLY DURING HOMECOMING.

DURING BASKETBALL SEASON, THE CHEERLEADERS, CHEERED FOR THE BOYS' AND GIRLS' TEAMS. THEY WORKED HARD ALL YEAR LONG!

THE INCOMING FRESHMEN TEAM HAD A 4-7 RECORD ON THE SEASON. THE GIRLS FOUGHT HARD IN EVERY GAME THEY PLAYED. DESPITE ONLY TWO GIRLS MOVING UP TO JV, THE FRESHMEN TEAM STILL PROVED TO THE SPECTATORS THAT THEY WERE CAPABLE OF HANDLING ANY TYPE OF PRESSURE. THE YOUNG LADY WARRIORS LEARNED ALL THE BASIC SKILLS NEEDED FOR THE GAME OF BASKETBALL. WITH A LITTLE OF INEXPERIENCE ON THE TEAM, THE GIRLS STILL WORKED WELL TOGETHER THIS YEAR FOR THE BETTER OF A YOUNG SQUAD.

THE JUNIOR VARSITY

TEAM HAD A GREAT YEAR AS WELL GOING ON THE SEASON. THEY SHOWED GREAT DEDICATION THIS YEAR. THEY PROVED TO EVERYONE THAT THEY WERE A TEAM TO BEAT. THE LADIES WERE WELL-ROUNDED WITH EVERY ASPECT POSSIBLE. THEY STUCK TOGETHER IN THEIR TIMES OF STRUGGLE AND OVERCAME MANY ODDS THIS SEASON. THERE WERE TWO YOUNG LADIES THAT WERE ADDED TO THE TEAM OFF OF THE FRESHMAN SQUAD THAT HELPED A GREAT DEAL IN THE SEASON. THESE LADIES HAVE WORKED AND DESERVE A LOT OF RESPECT.

"MAKING HISTORY", THE TERM THAT BEST DESCRIBES THE LADY WARRIORS BASKETBALL PROGRAM THIS SEASON. IT ENDED WITH A FINAL RECORD OF 16-10, BUT ALONG THE WAY THE LADIES CAPTURED THEIR SECOND CONSECUTIVE SECTIONAL CHAMPIONSHIP. WITH THE CORE OF THIS YEAR'S VARSITY TEAM BEING SENIORS (8 IN ALL), IT WAS ESPECIALLY IMPORTANT TO THEM TO WIN THIS CHAMPIONSHIP, SO THEY COULD LEAVE THEIR MARK ON CALUMET WARRIOR BASKETBALL HISTORY. THEY DID JUST THAT, BECAUSE THIS IS THE FIRST TIME IN HISTORY THAT A BASKET-

BALL TEAM (GIRLS OR BOYS) WON BACK TO BACK TITLES. THERE WERE OTHER HISTORICAL HIGH POINTS AS WELL. SENIOR KIKI BYTNAR GRADUATES AS THE ALL-TIME SCORING LEADER IN GIRLS BASKETBALL AT CHS, FINISHING HER CAREER WITH 1,270 POINTS AND TEAMMATE SENIOR SHERIKA MOORE MOVED INTO THE TENTH SPOT ON THE SCORING LIST WITH 556 POINTS. THE GIRLS ALSO MOVED INTO THE BLACK DIVISION, WHICH THEY PROVED TO SPECTATORS THEY BELONGED THERE. THE TEAM SET ANOTHER RECORD FOR MOST POINTS SCORED IN A QUARTER WITH 38 POINTS AGAINST GAVIT. IN ALL, THIS YEAR WAS THE BEST EVER!!! GO LADY WARRIORS!!

FRESHMEN TEAM

THE FRESHMAN TEAM WAS A TEAM TO WATCH THIS YEAR. THEY FOUGHT VERY HARD AND HAD A SUCCESSFUL SEASON. THIS WAS A TEAM THAT NEVER QUIT AND GAVE THEIR ALL IN EACH GAME THEY PLAYED. JUNIOR VARSITY TEAM

THE JV TEAM CAME OFF THIS YEAR VERY STRONG AND WITH A GOOD RECORD. THE GUYS PLAYED EVERY GAME TO THE BEST OF THEIR ABILITY TO CAPTURE A WIN. THEY HAD GREAT LEADERSHIP BOTH FROM COACHES AND THE UPPER CLASSMEN. THEY DID NOT LET ANYTHING STAND IN THEIR WAY AND THAT IS WHY THEY PLAYED SO WELL TOGETHER.

STRUGGLING THROUGHOUT THE SEASON, THE BOYS WORKED ON THE FUNDAMENTALS, PLAYS AND DEFENSE HOPING TO IMPROVE ON THEIR RECORD. IT ALL CAME TOGETHER AT THE END OF THE SEASON WHEN THE BOYS FACED MORTON IN SECTIONALS. AFTER WINNING THAT GAME, THE BOYS CARRIED A POSTIVE ATTITUDE INTO THE HAMMOND GAME. THINGS WERE LOOKING BRIGHT, BUT THE BOYS FELL SHORT, FINISHING THE SEASON 2-19.

WITH VERY FEW RETURNING PLAYERS READY TO STEP UP TO VARSITY, THE TEAM WAS MADE UP OF NEWCOMERS SUCH AS KEVIN GLOVER, THEO GORDY, RYAN PARKES, DOUGLAS PADGETT, AND KYLE PHELPS.

WE ASKED TWO SENIORS AND COACH STEIN HOW THEY FELT ABOUT THE SEASON.

KEVIN GLOVER: "WE WORKED HARD, BUT NO SUCESS."

DOUG PADGETT: "WE TRIED OUR BEST."

COACH STEIN: "FOR PLAYING ONE OF THE TOUGHEST SCHEDULES THE SCHOOL HAS EVER PLAYED, WE BATTLED NIGHT IN AND OUT AND THE LAST PART OF THE SEASON PEOPLE GOT TO SEE HOW GOOD WE WERE."

ALTHOUGH YOUNG, THE BOYS' GOLF TEAM EXPERIENCED SUCCESS, ENDING THE SEASON AT 7-11 OVERALL AND 3-4 IN THE CONFERENCE PROVED, TO THESE YOUNG WARRIORS MORE SUCCESS AWAITS THEM. TWELVE BOYS PARTICIPATED ON THIS YEAR'S TEAM. OF THOSE TWELVE, EIGHT WERE SOPHOMORES, TWO JUNIORS, AND TWO FRESHMEN.

AT NUMBER ONE THROUGHOUT THE SEASON, SOPHOMORE JOSH SCHUMACHER PROVED HE WAS THE MOST VALUABLE GOLFER ON THE TEAM. HE HAD A PERSONAL BEST OF 82 AT THE WESTVILLE INVITE. SOPHOMORE DREW PARKES, AT THE NUMBER TWO POSITION FOR THE SEASON, STRUGGLED AT TIMES TO FIND HIS GAME; HOWEVER ONCE HE DID HE WAS AWESOME! NEWCOMER

SOPHOMORE RYAN PARKES, PLAYED AT THE NUMBER THREE SPOT FOR THE WARRIORS. RYAN EARNED THE BEST MENTAL ATTITUDE AWARD FOR HIS CONSISTENT POSITIVE ATTITUDE. JUNIOR DYLAN NORMAN PLAYED MOST OF THE SEASON AT NUMBER FOUR. HE ALSO STRUGGLED THROUGHOUT THE SEASON, BUT KEPT WORKING TO IMPROVE. THE NUMBER FIVE SPOT WAS SPLIT BETWEEN THREE GOLFERS, JUNIOR JIMMIE BENAVIDEZ, SOPHOMORE SHAWN LEMASTER, AND FRESHMAN EDDIE RICO.

RUNNING WITH SPIRIT

FOREVER RUNNING OR LIFTING WEIGHTS, THE BOYS AND GIRLS TRACK TEAMS AT CALUMET WERE A DEDICATED BUNCH. PRACTICES WERE GRUELING BUT THE WORK PAID OFF IN MOST MEETS.

SUCCESSFUL INDIVIDUALS WORKED TO HELP THE TEAM

SUCCEED. IT TAKES AN ENTIRE TEAM TO WIN A MEET, AND THAT CONCEPT WAS NEVER LOST ON ANY OF THE ATHLETES.

RUNNING, THROWING, LIFTING, LEARNING, AND COMPETING EACH DAY ALLOWED THE TEAMS TO ENJOY THE REWARDS EVEN MORE.

SPIRITED NETTERS

TENNIS IS A TEAM SPORT WITH INDIVIDUAL RESULTS PREDICTING THE TEAM'S OVERALL PERFORMANCE. IF ONE SET OF THE TWO DOUBLES TEAMS OR THE THREE SETS OF THE SINGLES PLAYERS DO NOT PULL THROUGH, THEN THE TEAM AS A WHOLE CAN SUFFER. AS A RESULT THIS MAKES THE INDIVIDUAL STRIVE TO BECOME BETTER AND WIN.

LONG HOURS OF PRACTICE, HARD WORK, AND DEDICATION HELPED MAKE THIS YEAR'S TEAM A SUCCESS. THE UNDERCLASSMEN AND THEIR DESIRE TO LEARN HELPED AS WELL. ALL THE GIRLS WORKED HARD TO BE TOUGH TENNIS PLAYERS.

Spirit goes Yard

WHOEVER SAID PLAYING BASEBALL WAS JUST FUN AND GAMES NEVER PLAYED HIGH SCHOOL BASEBALL. IT IS A GAME THAT NEEDS DEDICATION TO THE PRACTICES, TO THE GAMES, TO THE WHOLE PROGRAM IN ORDER FOR THE TEAM TO DO WELL. SOME

STUDENTS DO NOT SEE THIS AS AN IMPORTANT ASPECT OF SPORTS, BUT ASK ANY OF THIS YEAR'S BASEBALL MEMBERS AND THEY WILL TELL YOU THAT WITHOUT ANY OF THAT, THE TEAM WOULD FALL APART.

COACH DRAKE AND THE REST OF THE TEAM ENJOYED THEIR SEASON.

THEY HAD JUST A FEW SENIORS AND A SCORE OF UNDERCLASSMEN.

THE SEASON ENDED ON A GOOD NOTE, AS THE WARRIORS LOST THE SECTIONAL GAME TO HAMMOND MORTON 0-2. NEXT YEAR LOOKS PROMISING FOR THESE WARRIORS...

THE TEAM CONSISTED OF MANY

YOUNG PLAYERS WHO WANTED TO PROVE THEMSELVES WORTHY OF BEING ON A VARSITY TEAM. THEIR PRIDE IN THE TEAM AND DETERMINATION TO BE GOOD PLAYERS WILL PAY OFF IN THE FUTURE!

ENGLISH EXPANDS SPIRIT

English class is probably one of the most important classes a student takes. In fact this class is required for a student to graduate, not just one year of English will do. In order for a student to receive a diploma he/she has to have at least four years of English. We offer two levels of English: Regular and Honors. Honors English is only required when a student wants to receive an Honors Diploma. If it was not for English, we would not be able to use grammar correctly or write term papers accurately. Aside from the type of English class a student can take, English extends further into such classes as Journalism, Speech, Composition, and Yearbook.

MOTIVATING SPIRIT

In gym students can participate in a wide range of sports and activities without having to join a sport. Being enrolled in gym for two semesters can offer great physical fitness. This course offers activities such as roller skating, bowling, swimming, basketball and baseball. Students wishing to pump up their muscles or just want to tone their body may like the opportunities that weight training has to offer.

BUILDING SPIRIT

Saws, sandpaper, nails and wood. Is that all there is to shop? There is much more to shop than some people may think. In Shop class students have to use their brain to strategize on how to build and create things. In Tech & You a student is shown how to create various projects without using wood or a bandsaw. This class teaches a student how to build a chair out of cardboard, a bottle rocket from a pop bottle and a car made from a mouse trap. Manufacturing class allows students to apply their knowledge and skills to solve problems. Students learn the proper way to use a welder, build a wooden car, test it and create plastic molds and how to operate a variety of machinery.

SPARKING SPIRIT

Business classes are important classes. From typing on the computer to practicing filling out applications, all those skills are necessary in future jobs and careers. Although students are taught small skills in this class, they will use these skills frequently in everyday jobs and even everyday life. For example, students will learn how to balance a checkbook which will become a necessary skill, so you will not go into debt or become bankrupt. Learning these skills now in high school can go a long way to helping someone even start their own business!

Left: Who knew calculators could be so much fun?? According to Shane Jackson it is the one thing that keeps her occupied during class.

MATH FIGURES BRING OUT SPIRIT

People may not believe it, but Mathematics is the key to our future. Whether it be Algebra, Geometry, or Calculus math helps students solve everyday practical problems. If a person wants to be a cashier at PayLow or a burger flipper at McDonalds they need math skills to count back change or the number of hamburger patties it takes to make a Big-Mac. No one can even be accepted into college or make something of themselves in the future without a little bit of knowledge in the areas of math such as addition, subtraction, division, etc... So the next time someone is not paying attention in class, they should realize their future is on the line.

In Social Studies classes, teachers attempt to teach their students about the past and the land in which we live today. In Geography class students are able to learn about the climate of different countries, the extreme land conditions, and the cause and effect that certain companies have on the environment. In World History, students are taught about the past events that occurred all over the world, which still affects people today. U.S. History class is almost similar to World History, except U.S History focuses on the past events of the United States and how those events helped to form our country. The Government & Economic classes provide students with the knowledge which further relates the role of the government and the economy of the United States.

SPELL BOWL

Photo by Brickie

Every year Calumet has competitions in which students compete to show who has the best scholastic abilities in Academics and Spelling. These type of students are involved in the Academic Teams and Spellbowl. While participating in the Academic Team, students are able to enhance their knowledge in the Fine Arts, Science, Social Studies, or Math, while at the same time preparing for the competition that is usually just around the corner. In Spellbowl students are expected to spell the required words correctly...meaning no mistakes and they need to know what each word means. These words are usually difficult and tricky to spell. For example: *onomatopoeia*, is one of the many words that they are required to spell. Tough Huh? So, the Academic Teams and Spellbowl are for students who don't mind doing hard work, a lot of researching, and who are dedicated to their schoolwork.

EXPERIMENTING WITH SPIRIT

Bubbles, gases and sometimes an explosion or two ... these are few elements that are found within a Calumet science class. Now and then students get the privileged chance to be able to go into the science lab to dissect, observe or maybe, if a student is not so lucky, "accidentally" cause a small explosion. On the safer side there is always the classroom where students learn about everything from the way of life in Biology to balancing equations in Chemistry. Then there is the class where students take a more in depth look about why things are the way they are in Physics and learn the proper classification of living organisms in Biology II. Students in Life Science learn the basic fundamentals of life.

FOREIGN LANGUAGE ENHANCES SPIRIT

Bonjour! The French classes range from French I to French IV. For those dedicated students who want to learn more about the history of the French and develop a more extensive knowledge of the structure of the language there is the Honor classes of French III & French IV. French I & French II are beginning classes that teach students the basic understanding of the language, such as verbs, vocabulary, and simple sentence structure. Each year Mme. Potoma takes her French Club Students to various events that focus on French activities. To become a French club member a student either has to be a French III or IV student or just go on one of the French field trips. Developing a knowledge of French can come in handy.

Mrs. Jones

Hola! This is a basic greeting you would use when you meet somebody. You learn basic greetings, sentences, and vocabulary in Spanish I. A student that advances to Spanish II will learn more complex sentences, a broader range of vocabulary and more about the grammar. In Spanish III-H students read stories in Spanish, such as Don Quijote and Frankenstein. Spanish IV-H students use independent study time to prepare for Spanish courses. After three or four years of Spanish, a student should be able to communicate well enough that they would be able to survive in a foreign country.

Mr. Whisler does an excellent job of teaching his students the best way to draw, sculpt, paint and mold. Walking pass the Art room, one can see the wonderful pieces of art on display. CREATIVE SPIRIT

This year has been very busy for Mrs. Wierzbicki. She began the Collage, a literary magazine. Students who felt they needed to express their artistic side would join the club and help put the magazine together. Calumet students were able to submit original stories, poems, art work and photography. All of this work was then compiled into the Collage. Hard work and dedication was put in by the members of the club in order to publish this magazine.

ACTIVITIES

Homecoming 2003

One Week Filled With Memories

Excitement, anticipation, and joy are just a few words that can be used when describing this year's homecoming. To many students, homecoming is an event-filled week that the entire student body takes pride in being a Warrior and showing their spirit.

On behalf of the student government

spirit week was created. During the week numerous competitions and activities take place among each class. The fun began on Monday, Clash Day, when the students at Calumet High School dressed in their worst mix-match clothing. The next day everyone dressed in their finest attire for Stylin' and Profilin' Day. Wednesday was by far

the most comical day. The boys had the chance to actually show their "feminine side" by dressing in girls' clothing, and vice versa for the girls. Thursday was a Years Gone By Day, students from each class wore the clothing from their decade. Finally, on Friday students flashed their red and white.

Catch The Spirit Of Homecoming

This year's Powder Puff game was on fire. With Victory in the minds of the seniors and sophomores as well as freshmen and juniors, a tough game was played. Unfortunately for the seniors, the game ended with a victorious win for the freshmen and juniors. This was the first loss for the seniors since 2000. After the game, the cheerleaders performed at the bonfire. Other activities that took place during the week were the float decoration

competition and the hallway decoration competition.

Finally, on Friday the 2003 Homecoming was concluded with a tough game against Bishop Noll. The game was very suspenseful to the fans in the stands. Everyone cheered them on till the end.

During half-time the Homecoming candidates walked nervously down the 50-yard line as their biography's were read. The winners were announced, Congratulations to Noemi Saenz and Micheal Brown on being crowned the Queen and King of the 2003 Homecoming.

Don't Monkey With Me

PU.S.H., or Prevention Using Student Help, is a nationwide club that promotes drug awareness. The club teaches peers as well as elementary kids about the dangers and facts of drugs, alcohol, and tobacco. They do this to enforce the truth and get information into the heads of the younger children. This program teaches them to just say NO to drugs in the future.

Before the high school students can inform anyone about drugs, they have to go through twenty hours of training over a period of two days. They are trained by a prosecuting attorney, Mike Winchester, and other professionals.

P.U.S.H. has two main events that they promote each year. The first event is Red Ribbon Week. During this week, the members decorate the halls with informative and creative posters about drugs. They also tie red ribbons around the outside of the

school.

Finally, in the spring, the members travel to the Elementary Schools to inform the children about drugs and their dangers. This is a good experience for the children because they look up to the high school students. This program is very informational to the children as well as to the high school students. The affects of drugs and alcohol aren't always acknowledged by everyone, and this program is sure to inform others. Everyone who takes part in this program comes out with a gift. The children can tell their friends, as well as their siblings, everything they know about drugs. Another thing is that in the future, when they are faced with the question of whether or not to do drugs, they will know the affects that the drugs will have on them. Therefore, they will know to "JUST SAY NO."

Let the "Spirits" Move You

Safe Trick or Treat was exciting and full of fun this year. Calumet High School has been hosting Safe Trick or Treat for about six years now. Safe Trick or Treat is our way to allow the children to trick or treat safely. They don't have to be unprotected on the roads, which don't have lights or sidewalks anymore.

The Student Council organizes everything while the National Honor Society helps by donating and passing out candy. The children donate one canned good to enter into the halls of Calumet on Halloween. The canned goods are then

donated to the food drives for Thanksgiving. The parents and children feel safe, and have tons of fun.

The children get to knock on the doors of each classroom to trick or treat. Every classroom and every door is decorated to provide a better Halloween setting for the kids. The upper floor was decorated as the scary hallway. Members of Student Council and National Honor Society, as well as a few others, dressed up to pass out candy to the little ones. The Calumet chorus sang songs at the entrance for everyone to enjoy.

Safe Trick or Treat is an

event that little kids love and look forward to. Halloween is a fun holiday that has become unsafe, but thanks to everyone who helps at Calumet it is safe again. Lately, Halloween has come during a cold time in the year. Calumet High School provides the lights, the safety, and the heat! Safe Trick or Treat will always be fun.

Chess is not Stress

This is the Warriors second year competing in chess club competitions. Mr. John Boufis formed this club for quick thinking students a year ago. Students compete first in tournaments, then they move onto tours. After winning or losing, they are branched off by their complex rating system.

Strategy, tactics and intelligence are key words in chess. If a person keeps these words in mind, chess will not cause stress.

Top chess player Paul Simons ended the year with a 540 rating.

Game of the Year!

The Drama Club held their first annual Teacher vs. Senior basketball game on April 19, 2004. Tickets were sold in advance and popcorn was sold at the game. The seniors had ten boys and girls competing while the faculty had nine participants.

The game was a nail-biter as the faculty went on a terror - led by Mr. Tauber and Mr. Brugioni; however, the seniors fought back enough to win the event! What a game it was!!!

Below: Injured, Mrs. Gabbert yells at the paparazzi as Andy Zimmer and Kiki Bynar help her back to the bench.

Students watch carefully and in shock as the teachers pull away from the seniors at the beginning of the game.

Like her favorite player, Sherika Moore, Ms. Green represents her spirit fashionably! Go Green!!!!!!

Effort Makes a Difference

This year the Calumet Student Senate prepared and organized a successful food drive. Every year the Student Senate asks the student body to donate food for the needy families in the area. With the support of Calumet's faculty, student body, and area residents, we were able to help needy families with non-perishable items as well.

Although this was Mr. Keefin's first

year as Student Senate Advisor, he was able to take charge and organize the food drives. With the extravagant supply of food, the Student Senate was able to collect enough for both the Thanksgiving and Christmas food drives. The food drives could not have been possible without the volunteers who stayed after school to pack and deliver the boxes.

Capturing the Spirit

The yearbook class is more than fun and games, it is about hardwork and commitment. With only three people returning to yearbook, it was hard to teach the newcomers. In the beginning we had to learn the program and decide on a theme. With 17 people in the class,

we were able to pick our sections.

For our cover of the book, we decided to put the names of the entire student body. We picked this to combine the entire student body as a whole. This year we worked hard to make deadlines on time and get a variety of pictures.

The yearbook comes at a very high price, but we always

find a way to pay for it. With a yearbook you could look back on the memories. We received money by having bake sales and Class Olympics. The Fun Fair was also a way for us to earn money for the yearbook staff. It was also a great way to have fun. The yearbook staff also took off half a day during school to sell

ads. We had to work harder this year to make money because Ms. Green was not able to sell candy.

The yearbook staff works all year round to capture the best times of the year. Without Ms. Green, the yearbook staff would be lost and there would be no yearbook. Thanks Ms. Green for a great year. You know we are your favorite.

"Let The Games Begin"

A day with spirit! On December 19, 2003 the yearbook class held its third annual class olympics. Class olympics are a series of events in which each class competes for points. The class who scores the most points wins the first place Class Olympics Title. The events in which the classes competed were as follows: Tug-of-war, pie-eating contest, hula hoop contest, free throw shooting contest, and the relay contest.

Class Olympics are organized carefully by the yearbook staff. They take their class time weeks before and begin to prepare.

The first step is approving the event with Mr. Miller, our principal. The class decides what contests to include in the Class Olympics. They then assign each contest with certain staff members. The duty of each of the groups is to make up rules for the contests and make sure their event runs smoothly during the event. Tickets are first sold, to those who are interested in participating in the actual events, for a low price of 50 cents. After all positions are filled, spectator tickets are sold for one dollar. This year the event started at 1:30, which only gave one half of an hour to complete each event.

Nevertheless, the time ran out and the final tug-of-war contest was cut short. In conclusion, the Junior Class defeated the Seniors by a couple of points for the first time in years. The whole event was a good turn out. The spectators showed their love and pride to their class by cheering for them the whole way through the event. This is a good event to help the school act in a community manner.

Band and chorus are two hard-working clubs at Calumet. They practice at school and home. The members earn a lot of attention. The band is not only an extra-curricular activity, but a class to earn a credit. The class time occupied by the band is used as a time for practice and to organize fundraisers. The band performs at football and basketball games, as well as at solo and group competitions.

The band opens every home football game by playing the National Anthem, and closes each by playing the school song. Also, the band performs a free Christmas and Spring concert which is always held in the auditorium and open to the community. Chorus practices during sixth hour to get their vocals just right. This is not only an extra-curricular activity but also a class where a credit can be earned. They appeared at Calumet on Halloween night and greeted the trick or treaters and their families with spooky songs. Also, this year for Valentine's Day they had a fundraiser. It was called singing gums.

Seniors' Time to Relax

The seniors fun was on May 20th. The banquet was held in the commons area. It was a fun and exciting night for those who came.

The dinner was provided by the cafeteria staff and it was delicious. After the dinner, they announced the winners of the gag awards. Four different people announced the winners. The people who were not at the banquet received their trophy

at school the next day.

After every gag award was distributed, the seniors actually cleaned up after themselves. After four years it was good that we actually - and finally - learned how to clean up after ourselves.

Brickie Photo took photos of the seniors during the dance. The dance was great! For some people it was the first time they had danced in a while. The

music was up to date and up beat. Every one had fun.

At the end of the night, everyone realized that they had just had their last high school dance.

It was a great event and fun time. The senior banquet will be an everlasting memory. Good Luck Seniors and Thank You to everyone who helped to prepare it.

Prom was held at The Dynasty on May 7, 2004. It was a night of love and romance. This magical night will never be forgotten by those who attended.

The crowning ceremony highlighted the evening. Christina Brumfield and Angel Hernandez were voted the Prom Queen and King, respectively. When Prom ended, the night wasn't even close to being over. Everyone rushed out to continue their night of unforgettable fun.

The Moment might be Temporary, but...

On June 6, 2004 at 2:00 p.m., 130 seniors walked into the fieldhouse with great pride and excitement as the crowd cheered. Earlier, tears began to form when Mrs. Potoma told us all that this would be a day we would remember forever.

Once seated, the speeches began. Sherika Moore welcomed everyone to the event, then David Denisuk recited an invocation. Julie Dye then told the history of the school. April Washington took to the podium next to

give a brief history of the class of '04. Finally, Valedictorian Elizabeth Crumble took control; she thanked her family for their support, her friends for their friendships and hi-jinx, and the faculty and staff for all they have done to help her in her trek through the first part of her life. Bumadette Peterson followed with advice for the class of 2004 - quoting Mark Twain in the process. Finally, Craig Tribble addressed the crowd and Mr. Miller to say that

the class was leaving an Academic Wall of Fame to recognize the top ten seniors each year.

Every one of the seniors walked with pride across the stage, some exhibiting personal touches of joy, as they received their diplomas. When it was all over, Mr. Miller presented the class of '04 to the audience and Dr. Beach and told the graduates they could turn their tassels. Cheers rang up throughout the fieldhouse as the class left for the last time.

Good Byes Are Not Forever

Kristin.

Congratulations! We are so proud of the young woman you became. You are a bright and beautiful person, inside and out. We will miss our sweet little girl who had the cutest laugh. We wish you luck and happiness always. We love you, Kristin.

Love Always,
Dad & Mom

To my dear daughter,

Mimi, as this very special school year began, I became a little weary because I knew that the day would come when you would actually be gone. I know that whatever path you choose, will be the right one. All my hopes and dreams are for you to have a successful and happy life. I'm proud to see that my sweet and shy little girl has become a beautiful and outgoing young lady.

Love,
Mom

Congratulations Dena!

Where the future may lead, may you always have the wisdom and strength to follow your dreams, the courage and ambition to meet new challenges, and may you know the happiness and pride that comes with success just like your brothers and sister.

Jeffery, Tony, and Robin

Dear Marva.

From the time you were born, I prayed for God to reveal to us the gifts, talents, and abilities He had placed in you and show us how to best nurture and develop them for His glory, for His word says: (Isaih 54:13) "All your children shall be taught by the Lord, and great shall be the peace of your children."

I thank God for such a wonderful and talented daughter.

Love,
Mom

It wasn't long ago a precious baby was born, 7lbs 6oz, named April Marie Washington. As a toddler I saw a determination in you even in the wee hours in the morning. I had to read each night to you before you went to bed. Even if you woke up at 3:00 a.m. nothing would satisfy you, but me reading you a book, because I hadn't done it that night. Keep this same determination in reaching your goals in life. Don't be satisfied with anything less, but do your best. Seek God and He will bless you. I love you. MOM

It seems like just yesterday, that I was hearing you speak your first words and watching you take your first steps. I enjoyed watching you grow up to be who you are today. I have so many happy memories of you that make me smile when I think about them, like when you used to dance, play softball, and play the flute. The years have gone by so fast. Looking at you on your way to college, I wish I could have made those times stand still.

Airam, I love you so much and I wish you the best on your new experience. And may God bless you.

For My Niece, Marva
Congratulations

On February 14, 1986, we received a special gift from God. I say a gift was special not because we are special people, but because He gave us, the gift that would exemplify the kind of people that He desires to be known as His children. Your determination, hard work, perseverance is now about to pay off. I am proud both to call you a young saint and a niece.

Sis, (A.K.A. Burnadette)

We are all so proud of you! Hopefully the second half of your school years won't take as long. You were meant for school. Even before you started you were always so nosy, I mean eager to learn. HA! HA! Things always seemed easy for you, maybe that extra two weeks helped, if you know what I mean!! Anyway, you are one special lady and we all know you will succeed.

David,
You have always made us proud. Each year at least one of your teachers comments on what a pleasure you were to have in class. You have always been advanced for your age. You have developed into a handsome, intelligent young man. This year you graduate with honors, again making your parents proud. This is the end of your childhood education and the beginning of adulthood. Making the right choices has brought you this far and will assure you a lifetime of success. We are extremely proud of you and we love you dearly.

Mom & Dad

Dear Karen,

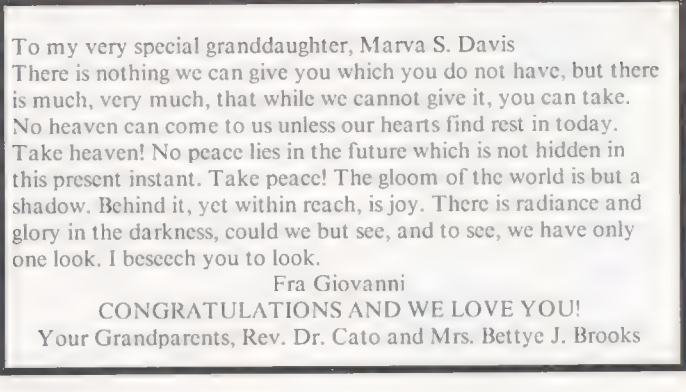

Knowing you has been great! You are a caring and responsible person. I know that I don't have to tell you to succeed, because you will do that no matter what. So all I do is wish you the best of luck, and remind you that I will always be here for you.

Luv ya,

You have turned into a very mature handsome young man. May God bless your life. I wish you many happy blessings for your life.

To my very special granddaughter, Marva S. Davis
There is nothing we can give you which you do not have, but there is much, very much, that while we cannot give it, you can take. No heaven can come to us unless our hearts find rest in today. Take heaven! No peace lies in the future which is not hidden in this present instant. Take peace! The gloom of the world is but a shadow. Behind it, yet within reach, is joy. There is radiance and glory in the darkness, could we but see, and to see, we have only one look. I beseech you to look.

The Joy of My Life

Erica, my greatest creation and best thing I have ever done, is the joy in my life. She wakes me every morning with a smile and kisses every night. Karen Melissa Malenki,

When you first started to walk you would fall down; once in a while tears in your eyes. Sometimes no tears depending on how hard the fall had been. You never stayed down long. You would get up and try again, and again until you could walk alone.

Well, granddaughter you are about to start on a journey that will determine your destination in life. We know that whatever you do or where ever you go you will do in style. Good luck and best wishes today, tomorrow and always.

Love Malenki Grandparents

Andrea thank you for giving me the chance to be your dad. The last twelve years with you filled me with wonderful memories of you. I wanted you to take your childhood steps through life, and exceed your highest goals. There is no question in my mind how you will do as an adult and remember no matter how far away from home you are you are always right here in my heart. You are always right here in my heart, you're my daughter. I love you and good luck capturing your dreams.

 My, my, my how the years fly by, it seems like it was

 Romance fails us and so do
 friendships, but the relationship of
 parent and child, less noisy than
 others, remains indelible and
 indestructible. The strongest
 relationship on earth is parent and

To my Grand-Daughter Marva,

Grand is what you truly are to me! Never has any one grand-daughter brought so much joy into my life. I remember when your mom and dad brought you home in your little crocheted outfit, you stole my heart. That's why your middle name is Valen, which is for Valentine.

Love.
